Complete your [Ethics & Compliance training](#) today!

Dear associates,

As you're aware, our annual [Ethics & Compliance training](#) has to be completed by **September 30, 2023**. With our commitments strongly focused on *doing the right thing, the right way* and always making the ethical choice, it is extremely important that each one of us completes this training within the timelines.

Let's ensure that we understand the ethical context of our work to make right decisions, and foster an environment of trust and mutual respect. To this end, I encourage you all to complete this essential training.

Ease your training completion journey:

- In case of a technical issue with the training, raise a GSD with the subject line "E&C Training Issue"
- Visit the [Ethics & Compliance page](#) to know more about our Code of Ethics or global policies
- Use our [helpline](#) to report a concern or a possible violation

Warm regards,
