"Java Advanced Secure Coding[201-Intermediate]" is assigned to you to complete

From CognizantLearn@Cognizant.com <CognizantLearn@Cognizant.com>

Date Tue 10/24/2023 2:42 AM

To Uddin, Md. Kamran (Cognizant) <Md.Kamran.Uddin@Cognizant.com>

Action Required

Hi Md. Kamran,

This is to notify that **Java Advanced Secure Coding[201-Intermediate](ELRNG00274)** has now been assigned to you.

Due Date: 1/31/2024

We request that you make time to complete the assignment at the earliest and apply the knowledge gained to your job.

Please click here to access the activity. Alternatively, you can also log in to LEARN and navigate to Self>Development>Training Analysis page or view in Timeline>LEARN.

Since you have been assigned to the activity it is recommended that you access the activity only via the options mentioned above and not search it separately via Enterprise Search option.

Wishing you the best !
Learning & Development Team
