ADM GenC: Trainer Nominations

Human Resources · · GenC Program

Dear SMEs,

Greeting from GenC HR team! Thank you for your continuous support to the program.
We are starting off with training for new batches in this month.

From the ADM GenC HR team, we are running a campaign to source trainers to handle technical sessions for ADM GenCs on the below skill tracks –

FSE Java | Standard Java | FSE Dot Net | FSE Standard Dot Net | Mainframe

For your quick reference, attaching the curriculum details and trainer hours required per week.

We would like to utilize your skills and expertise to provide training to our GenC population and you would be rewarded as per the honorarium policy.

Please visit Be.Cognizant page to understand the honorarium policy

📄 genc-india_honorarium-payout-policy_v2-1.pdf

If you have the passion and technical competence to groom the next generation, please submit your nomination as a trainer here.

All the GenCs will be available in office for the training, hence you are also required to facilitate the training from office locations.

Regards
ADM GenC HR Team
