# Your Learning Resources

Hello Md Kamran,

To help you ramp on Google Cloud, we have provisioned the following learning resources for you:

On Demand Learning

- You have been provisioned access to Google Cloud Skills Boost for Partners (formerly Google Courses) to complete the Generative AI track.
- To begin these classes, log on to Google Cloud Skills Boost for Partners at https://partner.cloudskillsboost.google with your email md.kamran.uddin@cognizant.com, and click each link to access your training. If you already have a qwiklabs account with your email md.kamran.uddin@cognizant.com, log in to https://partner.cloudskillsboost.google with your existing password, otherwise create a new account.
